

2Y-MFF

Description

Tributaries 2Y-MFF is a Y Adapter cable that is 9 inches in length and perfect for splitting audio signals with its female RCA to dual male RCA configuration.

Features

- Designed, packaged and tested in Orlando Florida, USA
- 9 inch Y cable in MFF configuration
- 22AWG solid Oxygen Free Copper (OFC) conductor
- PVC insulator
- Dual shielded to lower the noise floor
- Low Profile Gold Plated Brass RCA with Molded covers
- Highly flexible PVC jacket

Terminations

The 2Y-MFF is terminated with one white male RCA and 2 white female RCA connectors. The wires are soldered to solid gold-plated brass RCA connectors and then the assembly is molded to protect the connections and give an attractive appearance.
